ANNUAL STAFF

I do not suggest a Pollyanna attitude of sweetness and light toward life's problems. Things do go wrong; bad news must be faced. Disappointments, frustrated hopes, the drain-off of natural energy—all conspire to dull excitement and zestful response. But finally the finished product is complete.

B E T A

*Why should I yearn for honors great? Enough for me my
work well done. How often thus I meditate and scorn the
fame I've never won!*

KEY CLUB

Officers: David Long, Thomas Robertson, Alan Hunneycutt, Billy Higgins, Danny Kimsey, Ricky Sizemore, Norman Silver.

*To know that others suffer too is not much comfort
in my woe, but if I try to help them, then my own
troubles swiftly go.*

Directors: Joyce Holbert, Denise Renegar and Laura Cable.

*Some trouble comes
to everyone. We're never
sad alone – If we could
think of other's woes we
might forget our own.*

Officers: Mary Mooney, Kay Brackett, Debbie Dunlap, Louise Hofecker and Lynn Clark.

I suffer and groan in the

Other hands enrich our lives too,
baking bread and sewing seams.*

Officers: Patty Carland, Mary Rogers, Linda Norton, Linda Fowler.

Officers: Alan Horne, Andy Capps, John Mason, Robert Wilson, Haskell Heaton.

*Happiness is the greatest paradox
in nature. It can grow in any

WHAT IS THE SECRET OF GETTING AHEAD?

Stated simply, it is planning, so that you'll be able to make the most of every opportunity that comes your way. And in these modern times, with our technology advancing so rapidly, there are more opportunities — particularly for the trained man than ever before. Even the probabilities that are so much a part of a young man's life today can be made to lead to success and accomplishment. Before you make any decision, make it a point to meet your local Army Recruiter. You'll find that he is much more than a Recruiter. His job is to advise and counsel you, so that your aims and goals in life can be reached. It may be that the course of action you have in mind is not exactly right for you. If so, you can be sure that the Recruiter will discuss everything fully with you and offer useful suggestions. So feel free to drop in at the Recruiting Station at any time, even if you're not ready to make your move.

"Chevrolet Dealers Since 1930"

You claim you travel to a drummer with a different beat . . . that your parents don't understand or dig the bag you're in . . . **Hold it!** We are not trying to jump on your case or put you down. But look at this side of the coin . . .

We'd Like a Few Friendly Words with You:

WHAT'S ALL THIS BIT ABOUT A GENERATION GAP?

Pardon us, if we sound as though we're preaching about the so-called "generation gap." We don't intend to sermonize. Because, we know that young men and women like yourselves have learned a lot—and are determined to learn a lot more, preferably without any lectures from the older generation.

But we're against "gaps"—generation or otherwise. And we suggest that we all gain from the insights and progress made by those who've lived before us.

Consider these factors:

YOUR PARENTS AND GRANDPARENTS are the people, within just five decades, who have helped increase your life expectancy by almost 50% . . . while reducing the working day by one-third, and doubling our nation's per capita output.

THESE SAME PEOPLE have lived through history's greatest depression. Many know what it is to be really poor, to be hungry, cold, sick, uneducated. Because of this knowledge, chances are they were determined—though they may never have told you so—that yours would be a better world . . . that you'd have greater opportunities to succeed than they.

BECAUSE OF THEM, you will work fewer hours. Learn more. Have more leisure time. Travel to more distant places. And have more of a chance to follow your life's ambition.

THESE SO-CALLED "UNTOGETHER PEOPLE" made a start, perhaps a late one, in healing the scars of the earth . . . eliminating pollution, fighting racial discrimination. They've done many things. And they have had some failures. They have not found an antidote to war or hatred.

AND WHILE WE CONGRATULATE YOU on the milestone you've just reached. We also by indirection congratulate your parents and their parents.

WE HOPE YOU'LL SHARE OUR VIEWPOINT. We hope you'll build on past progress instead of magnifying any so-called generation gap! As you take your place in the adult world, you'll want to benefit from the work that's gone on before you. And you'll want to add to the progress of mankind. That's what life is really all about.

FEEL THE

Well, I woke up this morning
and nothing had changed
as the day before
and I don't know what
to do about it.

If yesterday doesn't stay
here it is.

I'm going to be in trouble
with the day before
not even to mention
the morning after.

Because, before yesterday
the day was called tomorrow.
Oh, well, who cares as long as
today is still here.

or is it?

Maybe today is just an extension
of yesterday
of the beginning of
tomorrow.

But what started yesterday off
if today starts tomorrow?

Matter of fact . . .

what started today off?

Was today a result of yesterday?
or, is it here

// so I can have a tomorrow?

Billy Higgins
